'Squirrel' Construction Pair Sought By Local Police

Police Chief Albert E. Ryan this week urged any residents of Arlington who have had construction work done on their homes by the Concord Roofing Co., Shadyside ave., Concord, to contact the Arlington Police Station.

Meanwhile, an Eastern States alert has been sent out to pick up members of the Company, Arthur Bedard and Allan Thompson. Indictments on seven counts of larceny were lodged against Bedard and on eight counts of larceny against Thompson.

According to Arlington police, the Company doing construction work on roofs and attics had urged a resident of Webcowet rd. to have something done about his house. Police say that the men after investigating the attic and roof told the owner that he had squirrels in his attic and that it would be necessary to have flashing placed at the junction point of the attic and roof. The construction men also pointed out other work which they said would be necessary if the squirrels were to be kept out.

One of the men, according to police, showed the owner a spot on his hand where a squirrel had bitten him.

The bill for the work was over \$8,000; some \$6456 is included in the indictments against the pair.

Town Meeting Members will be called on to decide whether or not Arlington will have an addition to its present high school.

The School Committee and the School Survey Committee will jointly sponsor an article in the Town Warrant for the Annual Town Meeting requesting the appropriation of \$1,100,000 to be used for the construction of a high school addition in the area adjacent to the present new addition and to the rear of the Arlington Buick Co.

A second article will also be inserted asking for permission for the use of Public Law 560, which would pave the way for Federal Aid to Cover the fees of architects.

This action came at a special meeting of the School Committee and the School Survey Committee held Monday night.

Harry J. Korseland and Leonard W. Quann of the Architectural firm of Korseland, LeNormand and Quann were present and presented plans for the addition in the rear area. Originally, plans had been discussed for the construction of the front of the building out to Mass. Ave.

Suggestions calling for the construction of a junior high school north at a cost of \$2,155,400 were turned down by the Committee. The proposed site for such construction would be between Yerxa Rd. and Brattle St., an area of approximately 15 acres and would call for the taking up to 15 houses.

Also turned down were proposed additions to the Junior high west, \$1,175,000 and to the Junior high industrial arts building, \$1,325,440.

The proposed addition to the rear would necessitate an appropriation of some \$40,000 for the relocation of the street in the rear of the high school and another \$25,000-\$40,000 for some covering of the Mill Brook. It is expected that the later sum would be requested under a separate Town Meeting article.

Public Law 560, recently enacted, calls for the supplying of Federal Funds to communities to pay for architectural fees incurred. If the construction of the building being planned is completed the Town or City pays back the money at no interest; if the work is not completed nothing is paid back.

The new wing would house ninth graders and would include a recreation section for both boys and girls. An estimated 800-900 youngsters could be housed in the building.

It is expected that the recent High School Addition Committee which has never been discharged would continue on.

A large number of residents, including members of the League of Women Voters turned out for the meeting.

Close to a dozen more letters had been received at office of the Board of Selectmen this week complaining of conditions at the sanitary land fill area and of the system of garbage and rubbish pick-up.

Meanwhile, Town Manager Edward C. Monahan told members of the Board of Selectmen at a meeting Monday night that he is checking further into other possible means of disposing of rubbish and garbage. A week ago Selectmen Pellegrini had suggested the possibility of contacting Somerville in connection with using the incinerator in that city.

At the same time legal aspects of the sanitary fill area were discussed in executive session by the Board of Selectmen, the Manager and the Town Counsel Monday night.

Supt. of Public Works Frank O'Hara told members of the Board of Selectmen that the collection of garbage is now just about up to date. He admitted, however, that some skidding of containers was still taking place and produced a list of about 15 residences where garbage had not been picked up Monday.

He noted that many were due to lack of shoveled paths and

Dr. Roens Seeks Feb. 5 Opening Of Local School

Dr. Bert Roens, Supt. of Arlington Schools this week in a letter to the Stratton School Building Committee asked if it would be possible to set Feb. 5 as the date of occupancy of the new school.

The complete letter to the Chairman of the Committee follows:

Mr. Daniel C. Whitney, Chairman
Stratton School Building Committee
16 Fabian Street
Arlington, Massachusetts
Dear Mr. Whitney:

As Chairman of the Stratton School Building Committee, I am pleading with you to take immediate action to effect the completion of the Stratton School. I am told that permits from the Massachusetts Department of Public Safety to allow us to place children in the building will not be issued until the burned-out motor of the vent fan is replaced, and the boilers are in proper operating condition. Mr. Greim has submitted his punch lists and if the Architect and Contractor would cooperate, I am informed that these could be easily taken care of within 10 working days.

From my own observation, same day, Dennis Perkins, II, the Architect and Contractor was treated by Dr. Casey for are moving so slowly that a laceration of the nose cannot foresee the occupancy of the school in the near future.

In the meantime, we have children exposed to hazardous conditions in the school building.

Seven Injured By Ice Storm

Seven persons were involved in accidents as the result of winter's ways last week.

Eleanor Igo 44, 21 Adams st., was treated for an injury to her right ankle sustained after she slipped and fell on ice in front of 15 Adams st. Friday morning.

In another accident later the same day, Dennis Perkins, II, the Architect and Contractor was treated by Dr. Casey for a laceration of the nose resulting from a fall while coating.

Lillian Brooks 54, 28 Thorn-dike st., was treated at Symmes hospital by Dr. Murtaugh Saturday morning.

Record Turnout At Elks Annual Sports Banquet

A record shattering crowd of close to 300 persons, turned out for the Seventh Annual Elks Sports Banquet at Town Hall, Saturday night, despite the worst ice storm this area has seen in the past 30 years.

Local and State sports figures were present along with Town officials and representatives of many of the Town's Civic and fraternal organizations.

Allan Kierstead, all-scholastic end from last fall's Class A Co-championship football team was awarded the outstanding

player's trophy. His name will be inscribed on a permanent trophy now kept in the Lodge of Elks headquarters. Tom McNeeley was the first winner of this award, back in 1955.

Individual trophies were also awarded to all seniors on the 1961 Arlington high school football team.

There were two firsts in connection with this year's banquet, despite the fact that it was the seventh such affair. For the first time, the program was held at Town Hall and for the first time women were invited to attend.

Sportswriter Ralph Wheeler and Football coach Ed Burns were the key speakers of the evening and former N.B.A. basketball referee Eddie Boyle was the toastmaster for the occasion.

Two scheduled speakers, Patriots' Coach Mike Holovak and Tom McNeeley were unable to appear because of the storm. Coach Burns pointed out the

key plays in the Arlington-Everett game and reviewed the season as a whole. Films were also shown of this game. It was also mentioned that the offense and defense used by L.S.U. in the Orange Bowl game was very similar to that used by Arlington high school.

Principal Charles Downs stated that he was proud of the team's scholastic ability as well as its football ability and stated that the team's success was brought about by desire to work.

An open house was held at the Elks Home at the conclusion of the program.

Look What Nine Cents Will Buy At Ben Franklin

Look what nine cents will buy. This is the slogan at the "Big Nine Sale" at the Ben Franklin Store in Arlington Heights starting this morning.

Included among the bargains are plastic brooms for 89 cents; new textured wastebaskets, 59 cents; 45 RPM records 2 for 19 cents and a number of articles for as low as nine cents.

In addition there are a large number of old fashioned values in family wear, aluminum bakeware, cook-carry pans, plastic decanters, 10 ounce tumblers, and melmac dinnerware.

The Ben Franklin store at 1303 Mass. ave., is managed by Mr. Gould who came to Arlington in March of last year.

John Stengle Wins Spot On Carrier Team

John Stengle of Arlington has been selected on the Second Annual Boston Herald-Traveler "All Carrier" newspaperboy team.

The team is made up of the top dozen newspaperboys chosen as "Carriers of the Month" between Sept. 1960, and August, 1961.

The 12 carriers chosen from as many agencies range in age from 13 through 16. Most have scholastic ability, athletic ability and take part in youth activities as well as being tops in delivery service.

John Stengle has been a carrier for Pleasant News for the past four years, and has attended several carrier banquets and has won a number of prizes in various Herald-Traveler contests.

He is a sophomore at Arlington high school and maintains a "B" average. He is active in sports and is a member of the school chorus.

John does a fine job on his route, finishing by 6:30 a.m. each morning; in addition he is constantly on the lookout for new subscribers and is a top boy in delivering and collecting.

Older brothers, Boy and Charles were former newsboys for the same agency.

To Mr. & Mrs. Carl A. Grobel (Elizabeth J. Bredin) of 16 Grove Street, Arlington, a daughter on December 26, 1961 at Symmes.

not knowing where the garbage containers were kept. "We are not deliberately by-passing anyone," O'Hara stated.

He also stated that up until Christmas an average of 8 or 9 complaints had been received relative to collections.

O'Hara also added that the combination of the Christmas storm and the holidays had thrown the schedule way off. He said that because of the necessity of hiring new men and adding new trucks caused some garbage containers to be skipped.

The Superintendent explained that once things settle down to normal, the same men will be assigned to the same trucks and areas and will therefore know where all the containers are kept.

Selectman Pellegrini stated that he didn't feel the collectors should be caused to play hide and seek with garbage pails. (Some were found in boxes, others hanging up, another under a boat).

Selectman Arthur Saul asked if it wouldn't be possible to have someone on the Public Works Dept. check the Sanitary Fill area nightly to insure that all garbage dumped during the day is properly covered. He emphasized the importance of "leaning over backward," if necessary to keep the place in the best possible condition.

O'Hara stated that the area is now checked prior to closing time and to ask someone to work overtime would mean more money.

Saul said that he felt that more money should be spent if necessary to keep the area in the best possible condition.

All members of the Board congratulated O'Hara for the fine job he has done with the rubbish and garbage collection under the circumstances.

conditions going to and from school. We have pupils whose learning situation is retarded by being located in makeshift classrooms for an unreasonable length of time. We have excellent teachers on our staff whose potential cannot be used to its fullest extent until the school is open and this is a most unfortunate waste.

The tragedy, in my opinion, is that if the Architect and Contractor had been pushed, we could have been in the school months ago.

I realize that the Building Committee has definite limitations as to the amount of coercion that it can exert, and I further realize that there have been extenuating circumstances such as an excessively cold winter in 1961 and a prolonged glazier's strike. Nonetheless, I feel that more than sufficient time has now elapsed to remedy these situations.

Please be assured that this letter is prompted only by my deep concern and responsibility for the educational well-being of approximately 500 pupils. Speaking for myself, I have found you and the Committee to be extremely cooperative with my staff and me in seeking our opinions and accepting our recommendations in the planning and construction of this building.

I should now like to offer the following suggestions. Would it be possible for the Committee to meet immediately with the Architect and Contractor to:

Set February 5, 1962 as the date of occupancy of the Stratton School.

To notify the Architect and Contractor that any minor items on any of the punch lists not completed by this date, must be postponed until the summer.

That no further payments would be made by the Committee until the building was totally completed to the satisfaction of your Committee.

Very truly yours, Bert A. Roens Superintendent of Schools

Stating that "a smothering ever-increasing tax burden has been placed on the shoulders of Arlington's property owners, and that a business-like approach must be made to provide relief", John W. Bullock, today, formally announced his candidacy for the office of Selectman in the forthcoming March election.

"After the recent newspaper story of a possible tax increase of \$5.70, I feel the voters of Arlington will support with confidence a candidate who possesses a successful business background."

"To help solve the many problems confronting the Town I will, as President of the John W. Bullock Construction and Realty Company, Inc., offer to the people of Arlington the same energies and experience that I have put into my own business."

"More than anything else I believe the voters of Arlington want a man who gets things done."

Bullock, Chairman of Precinct 5 Town Meeting Members, lives at 103 Palmer St., East Arlington. He is married to the former Jacqueline LaRue and they have three children, Barbara, Nancy and Caroline. Mr. Bullock, a life long resident of the Town, is one of twelve children of Patrick and Josephine Bullock of Robbins Road.

"As the campaign develops, I will offer to the citizens of Arlington a program for urban renewal, a program designed to attract new sources of revenue and other meaningful suggestions designed to expedite progress for the Town of Arlington."

"To progress, one must start with ideas as a basis for any program of action, and I trust that those voters who are interested in reducing the cost of government and agree with my views for planning such a program will support my candidacy."

jamboree beginning Thursday, January 11th.

Charles M. Gannon, A&P vice-president; William F. Markey, general superintendent; Walter C. Wiseman, supervisor and John Hogan, store manager, also will participate in the ceremonies opening the jamboree.

Prizes will include bicycles, drill kits, a portable stereo-phonetic set, carving knives, step ladders and miscellaneous games and toys.

Customer conveniences now available at the A&P include mechanized checkouts and new meat, dairy, bakery and grocery departments.

Pastel shaded walls, a mural depicting an early 19th century scene, rows of gleaming display cases and a colorful tile floor are some of the outstanding features of the new interior decorations and fixtures.

Besides regularly stocking thousands of different food products in separate self-service sections, the air-conditioned A&P will have hundreds of non-food items on display. Sections are devoted to hardware, house plants, household goods, kitchen utensils, magazines, music recordings, toiletries and miscellaneous apparel.

To The Editor

Dear Editor,

How proud we Arlingtonians should be of our assistant Postmaster Charles Carruth and Postmaster Doherty!

What an attractive spot was our Center Post Office, this year! The Christmas decorations made one feel that the two men at the helm really cared. Through their efforts and leadership many carriers and workers contributed to the cost and the work of these decorations.

Did our citizens observe the cleanliness and attractiveness of the writing desks? The cleanliness of the floors inside and the grounds outside was outstanding.

Other neighboring post office buildings could well pattern after our Arlington Center Post Office Building.

Added to all this was the friendliness and efficiency of all postal workers.

Sincerely,

Marion A. Kirshbaum

To The Editor

We have found ourselves richly blessed at Morgan Memorial Goodwill Industries..... richly blessed, because we received more materials with which to keep more handicapped men and women at work and in training; and more saleable goods which makes up eighty five percent of our total operating costs.

Our officials at Goodwill believe that a great deal of this success is due to the newspapers across the eastern area of our State, especially the Arlington News-Press which is so very cooperative in using our news stories, and to the excellent response we have received from so many of your readers.

From the handicapped workers at Goodwill, an increasing number.....now more than 450 daily, we say, THANKS for giving them all a chance to earn a living and not be dependent upon the generosity of friends and relatives.

To all of you, editors, writers, photographers and your readers who have helped so much to keep the wheels going at Goodwill, we are deeply grateful.

Arlington, Mass.

Dear Sir:

On behalf of the Board of Directors, members and volunteer campaign workers of Greater Boston Association for Retarded Children, Inc., I wish to thank you for your support of our recent fund raising campaign.

We are all most appreciative of the space you devoted to the Greater Boston...Appeal for the Child Alone...and our Annual Crusade Dinner in your newspaper.

Our gratitude reflects that of the 45,000 mentally retarded children in Greater Boston for whom we are providing services.

Globe Santa Thanks Employees

A note has been received from the Globe Santa acknowledging the recent contribution made by the Arlington Municipal Employees Association to this most worthy cause.

The employees can truly feel that they had some small part in helping those less fortunate during the most holy season of the year when "It is more blessed to give than receive."

NEUTRAL OBSERVER

Well, Jim Dally pulled the rug out from under us by taking out papers for school committeeman Thursday as the News was coming out on the stands with the announcement that he probably wouldn't run.

The Selectmen's race opens up a bit more with Rawson and Barnstead getting into the fray. The question--Is the Party getting behind Mr. B who got in a quick last minute "look-see" in last year's campaign, much to the consternation of his cohorts.

--And a long-range possibility--Now that Frank Hurd has retired from Federal Government service will he be interested in running for Representative come fall?

The Observer would like to make a guess that this year's Warrant will be a record shattering one--over the 100 mark for the first time in the history of Old Menotomy.

At the present time the first article insertions are few and far between--two on zoning and one inserted by the Brotherhood Committee. The big rush will no doubt come next week.

The renovation boom is on in Arlington--probably one of the biggest in the history of the community. Reconstruction, old established businesses moving from one location to another, the sale of business blocks--all seem part of the daily procedure.

Belden and Snow--a father-son operation since 1928 will leave the National Bank Building in the, not too distant future and occupy the store that has housed the Arlington Hardware for 10 these many years. Arlington

Hardware will take up residence in East Arlington. A & P Supermarket course will open its spanking new supermarket at the Mickey Finn location--ground has already been broken for the start of construction.

Meanwhile, Swanson's bakery will soon be located at the site of Peerless Electric across from Stop and Show--and a new doughnut shop will soon open at the location formerly housing the House of Rogowitz at 1036 Mass. ave.

--And still more--the story goes that another Center building has been sold. Could this mean more construction?

--And it is understood that an insurance firm is interested in the wing being added to the M. and M. Dell.

--And more--Cherny's is also doing a bit of renovating of its own.

Poyonzecks Hosts

Mr. and Mrs. George Poyonzeck, 18 Field rd., will be hosts to the Mystic Valley Area Group of Park Street Church, Boston, Jan. 18. Christian literature, including books, magazines and used Christmas cards, will be contributed by members and prepared for mailing to missionaries serving in some of our newest nations overseas. The Poyonzecks formerly lived at 32 Central Street.

Less Students Now Working

One out of every five pupils at Arlington High is holding down some kind of part-time job while attending school. It is revealed by a study made recently by the guidance department. This is the smallest number, 45%, since 1958, and the smallest percentage since a study was first made in 1956. Part of the decrease in percentage can undoubtedly be attributed to the fact that the ninth grade is now included in the figures and few of these pupils have jobs.

Hours worked varied anywhere from a few hours a week to 44 hours, and the average was 17.5, with an average weekly salary of just over \$18. The total income of those who worked was over \$8100.

About 20 percent of the students worked under 10 hours a week; nearly 43 percent worked from 10 to 20 hours; nearly five percent worked 30 to 40 hours; 29 percent worked from 20 to 30 hours, and three were trying to work over 40 hours a week and still keep up with school work. The largest number of hours put in was 44.

Co-Captain Scores Unassisted Goal

Peter Lax, No. 7, goes by net after scoring in Arlington's 5-1 win over Waltham in G.B.I. last Saturday. Lax, Arlington Co-Captain tallied one goal and two assists to help pace Arlington attack. Photo by Lemos.

Kierstead, Lax Spark Arlington To 5-1 Win

Arlington high school spotted Waltham a 1-0 first period margin and then tallied three times in the second stanza and twice more in the final period to take over undisputed possession of second place in the G.B.I. League at the Arena, Saturday afternoon.

The locals trail league-leading Newton, which knocked Cambridge Latin into fourth place with a 1-0 win.

Newton's three-point edge over Arlington doesn't reflect the closeness of the race, however, since the local six has played one less game than the league leaders.

Waltham battled Arlington to a scoreless tie until the final minute of the first period when Brinn tallied an unassisted marker for the losers.

Arlington came back strong in the second period. Alan Kierstead scored the first

of two markers at 2:03 of the period with an assist going to Fraser to tie the score.

Peter Lax moved Arlington out front at 4:43 as he tied unassisted.

Bob Fredo knocked in a Lax rebound from close in at 7:54 of the same period to send Arlington into the third stanza leading 3-1.

DeCaprio knocked in Bobby Carr's rebound at 3:06 of the third stanza to give Arlington a 4-1 margin, and Kierstead scored the final marker, his second of the game from nine feet out on a pass from Pete Lax at 8:03.

Arlington has the best goals for and against record in the league to this point. The locals have scored 20 goals and have allowed but 5.

Arlington's relay team of Bill Lewis, Clyde Ward, Dave Walsh and Bob Kelly set a new relay record of 2:57.8 as Arlington defeated North Quincy 46-31 in Division II of the MET Track Loop last weekend.

In chalking up their first meet victory against a single loss, the Division II titleholders took seven firsts in the nine event competition.

Clyde Ward of Arlington won the mile in 4 min. 53.3 sec.; Roger Frechette and Bill MacKey of N. Quincy finished second and third respectively.

Bill Lewis walked off with top honors in the 300 with a winning time of 37.3 sec.; Harry Massey of N. Quincy finished second and Dave Walsh of Arlington finished third.

Bob Kelley of Arlington took first in the 600 in 1 min. 24.2 sec.; N. Quincy's Dick McCulley came in second and Jules Vaudo of Arlington third.

The 1000 was won by Peter Fairchild of Arlington with Mike Conley of North finishing second and Tony Manfred of Arlington finished third; time was 2 min. 39 sec.

Bob Goodenough of Arlington won the high jump with a leap of 5 ft. 7 in.; Bob Clifford of N. Quincy finished second and Bill Torpey of Arlington third.

Dennis Kallis of Arlington took top honors in the shot put with a toss of 40 ft. 6 in.; Ed Boudreau of North finished second.

North's two firsts were picked up in the hurdles and 50 yard dash.

Bob Clifford won the hurdles in 6.6 with Bob Goodenough of Arlington finishing second and Bob Chute of N. Quincy third.

Jim Sumner of North took first in the 50 with Wallace of Arlington finishing second and Dick Kemp of N. Quincy third; time was 5.9.

Grannan Scores 55 As Hoopsters Win Then Lose

Billy Grannan scored a total of 55 points in two games last week as Arlington High School's hoopsters beat Weymouth 60-52 and were edged 71-68 by Watertown.

In the Weymouth game, Jan. 3 Grannan scored 20 points and Govoni 15.

Keefe and Govoni tallied 10 points each and Grannan tallied 35 points in the Watertown game.

Grannan was particularly strong from the foul line as he chalked up 8 of his points from the free throw line in the Weymouth contest and 11 of his 35 points in the Watertown game from the foul line.

Nome "Khach" Heart Chairman

State Representative Gregory B. Khachadourian, 8 Newport St., has been appointed chairman of the 1962 Heart Fund. It was disclosed today.

A member of the Arlington Town Committee and active in legal organizations, Khachadourian will organize participation of Greater Boston law firms in the annual Heart Fund campaign in February. Proceeds will be used to continue Heart Association programs of research, education and community service.

Khachadourian, a director of the Arlington Lions Club, is president of the Boston University Club of Arlington, Lexington and Winchester and is a member of the Associated Blind of Massachusetts. He is a member of the Republican State Committee and the Bar Association of Cambridge, Boston, Middlesex County and Massachusetts.

Hart Model Guest Speaker

The Arlington Catholic Women's Club will hold a Reception for New Members at St. Agnes School Hall, Jan. 17 at 8 p.m. Chairman of the evening will be Mrs. Joseph Trainor. Hart Model Ruth Lang Fitzgerald will discuss "Glamour is for Everyone". Before her marriage, Mrs. Fitzgerald was a pre-medical student and a registered nurse with service in the battle areas of the South Pacific.

Now the mother of seven children (ages two to twelve), she is also an outstanding photographic model, fashion and charm school authority, and a contributor to many national women's magazines.

Although Mrs. Fitzgerald fully realizes and demonstrates the value of today's glamour techniques, she is basically committed to the belief that without charity, modesty and moral behavior, technique alone will never generate that "inner glow" which so characterizes the personality of the popular girl and of the distinguished matron.

Intra-Mural

by Kathy Carney

The Fidelity House Intra-Mural Hockey League played their third set of games, Jan. 3.

The Canadiens and Maple Leafs played the first game. This proved to be a see-saw game from start to finish. Frank Callahan was the spark plug on the Canadiens scoring all three goals. Grannan and Powers scored for the Maple Leafs in the first and second period, with Bob Heavert tying it up 9:10 of the third period. Then with only 30 seconds left in the game Heavert scored on a pass from Grannan to win the game. Final score Maple Leafs 4, Canadiens 3.

In the second game Bill Roycroft's Bruins continued on their winning streak making 2 straight. Randy DePari has kept up his fine work and scored twice in the game for the Bruins. The Bruins goal tender, Eddie Walsh is one of the youngest players in organized hockey around and does a remarkable job. Final score Bruins 5, Rangers 2.

Dunkin Donut

The Board of Selectmen this week received a communication from Francis Keefe, attorney representing Monsignor Oscar R. O'Gorman Pastor of St. Agnes church, who is very much interested in the proposed use of the property by Dunkin Donuts at the intersection of Mystic and Chestnut Sts.

Mr. Keefe asked that he and the Monsignor would like to be heard on the question of the issuance of any licenses to the company when application is made.

The Board wrote to Mr. Keefe that they would be informed when such application is made.

The Calvary Women's Society of Christian Service will hold its monthly meeting at Calvary Church Jan. 18, at 7:45 P.M. The topic of the evening is "No Easy Answers". A three scene skit acted out by Mrs. Robert Blomquist, Mrs. Richard Johnson, Mrs. Allen Campbell, Mrs. Robert Chandler, Miss June Christenson and Mr. and Mrs. Dean Walton will depict the purpose of the program theme, which is,--1. To help women feel social pressure relative to drinking alcoholic beverages, and 2. To stimulate the members to develop realistic ways of dealing with this pressure. A film on alcoholism will be shown.

By Kathy Carney

St. Agnes still fighting for sole possession of second place tied their brother occupant of that position St. Anthony's of Allston Sunday afternoon in a Catholic Youth League game at the Boston Arena.

St. Agnes scored first with only two minutes of the game played on a brilliant solo by Charlie Morgan. Then both teams settled down to some hard tight hockey. Joe Kiernan played another dependable game in the nets for St. Agnes. He had 38 saves for the game. St. Agnes plays St. Thomas Sunday afternoon at the Arena. There is no admission fee for these games; face off at 1:15.

close game almost all the way but St. Camillus came out victorious 22 to 19. Frank Kerwin was high scorer for St. Agnes with 8 points. Bob Green played a good game and had five.

All Second Semester classes begin tomorrow and will run thru Saturday each week until early April. Girl and boy members should attend regularly and take advantage of these many fine opportunities.

Varsity Hockey Sunday Jan. 14 (Catholic Youth League) St. Agnes vs. St. Thomas' of Jamaica Plain at Boston Arena 1:15 P.M. All parishioners invited. No admission fee.

C.Y.O. Holy Hour and Dance Jan. 19, 7:30 P.M. in lower church. A pizza and coke dance will follow at Fidelity House from 8:15 to 11:15 P.M.

Burning The Mortgage

Burning the mortgage on its new educational unit in a special ceremony held New Year's Eve at the Heights Baptist church. Left to right: Seymour Steeves, Sr., treasurer of church; Mrs. Robert Maxham, a member of the church for 54 years; Cecil Batchelder; and Benjamin Gott, Sr., Deacon, who was also the contractor in charge of the construction of the building.

Recently Appointed

Public Works Commissioner Jack P. Ricciardi (left), congratulates Charles F. Mistretta, Jr., Medford, on his appointment as Assistant Chief Engineer for Design and Construction. Mistretta, a graduate of Tufts Engineering School, is a career engineer with the Department. He was, until his present appointment, District Highway Engineer for the 4th District, with headquarters in Arlington. He is married to the former Grace Fowler of Chicago. They have six children, and reside at 11 Fairmount Street.

Edward Brooke To Speak Here

"Private Profit from Public Business" will be the subject of a talk by Edward W. Brooke, Chairman of the Boston Finance Commission, before the Arlington Heights Men's Club of the Park Ave. Congregational Church Jan. 17, at 8 p.m. The meeting, to be held in the Parish Hall of the church, will be preceded by a roast beef dinner at 6:30.

Chris Cammarata, right, who was local campaign manager during Governor Volpe's campaign 1960 congratulates Governor at reception held recently at the Monticello Restaurant, Framingham.

Presentation Of Grant

Shown at the presentation of grant by the March of Dimes starting the new Bill Cunningham-Birth Defects Center at Boston City Hospital are, left to right, Edward Marsh of Arlington, Middlesex East Chapter Chairman, Mayor John F. Collins of Boston, and Dr. Dydney S. Gellis, the Hospital's Director of Pediatrics and Supervisor of the Center.
